Asian Journal of Pharmacognosy

Christophe Wiart

School of Pharmacy, Faculty of Science, University of Nottingham Malaysia Campus, 43500, Selangor, Malaysia

This second issue for the year 2021 publishes very interesting articles bringing further knowledge on medicinal plants in Asia globally, I would like to express my gratitude to our President, Board of Editors, members, and reviewers for their efforts. More than ever, traditional medicines are important sources of phytopharmaceuticals for the prevention and treatment of human, animal, and vegetal diseases.
